Rabbi Hazzan Richard Bessman

August, 2022

Dear Fellow Congregants, Family and Friends of B'er Chayim,

We begin with thanks to all those who donated to our 2021 High Holiday appeal. As in past years, this helped us to meet our financial obligations at B'er Chayim.

Whether this is your first ever response to this annual appeal, or you have contributed in the past, your support for B'er Chayim is greatly appreciated. Any contribution is a gesture of respect for those who taught us, and represents a commitment to ourselves and to a world so much in need of healing. We thank many for diverse contributions of time and resources not only through B'er Chayim but also in the wider world.

We are in a time when many of us are in doubt about many things. Few things stand the test of time. The merit of having a religious community and securing its continued presence in Western Maryland is one of those things.

Debra and I wish you and your family a New Year filled with peace, health and happiness.

L'Shana Tovah and best wishes,

Gregg Schaaf
